ADDRESS

1051 Tirohanga Road, Tirohanga 3078

To get there, follow the Google Maps directions. On arrival, come through the front gates, turn right and follow the track down past the cow shed. Go through the gate and follow the track straight down to the back of the farm. It's imperative that you shut gates that you go through to prevent stock escaping.

Note that you are driving through a working dairy farm, so you may have to drive through a few cow pats! You can stop and wash off your car at the cowshed if this worries you.
