DIRECTIONS

Tawanui Farm is set in the Hurunui District on the East coast of the South Island, approximately 1.5 hours North of Christchurch.

To get there, follow the Google Maps directions to get to Blythe Road. To find the entrance to the track that leads to the campsite you'll need to follow the below instructions carefully.

If coming from the south: The track entrance is at the top of a hill to the right approx 1km north of 1434 Blythe Road.

If coming from the North: Go over the Hurunui Mouth Swing bridge, carry on up the hill past Riverview Road. At the top of the hill, the track entrance is on the left.

The entrance to the track is through some pine trees. Go through the entrance and follow the track to left and along the ridge towards the ocean. Stay on this track all the way to the campsite. The track is approximately 3km and goes through some ups and downs and a few sharp turns. You won't need to open any gates, so just stay on the track. A reasonably steep incline towards the end of the track will indicate you are close to the site.

The track is suitable for any vehicle in all weather conditions.
