DIRECTIONS INSTRUCTIONS

Ruru Room is 3 hours and 45 minutes from Auckland City, one hour from Coromandel Town, and 40 minutes from Colville. Make sure you stop to buy provisions in Thames or Coromandel. There is a store in Colville, but the selection is limited.

Follow the Google Maps directions to the address.

Once you arrive at the address, you'll see a steep right-of-way at a corrugated iron Kereru and microwave letterbox. Turn on to this right-of-way. You may need to open and close a gate at the top. Continue down the steep right-of-way, driving carefully near the bottom where there is a drainage hump, and past the old wrecked 4WDs... Ruru Rooms entry is the wide metal gate directly in front of you.

There is a gate lock, and a lockbox with keys to Ruru Room - both require codes. We'll send the codes to you 5 days prior to your stay in a pre-arrival email.

IMPORTANT ARRIVAL AND PARKING INFORMATION:

Once you've arrived at the address, proceed up the driveway

The drive is steep, so please drive very slowly, letting your vehicle drive gently so as not to rut and disperse the gravel.

At the top, it is best to drive past the flat area on the right and then reverse onto the flat area, that way your boot will be near the steps to the cabin.

When driving out, be careful of the corner back onto the drive, better to do the turn in two sections unless you have a very tight turning circle.

THINGS TO BRING:

- All the food you need for your stay and whatever you fancy drinking (the nearest store is 40 minutes away)
- Warm clothing – especially if you want to soak up the evening stars
- Toiletries, including insect repellent and sunscreen.
- Towels for swimming.
